EDMONTON GARDENS

EDMONTON GYMKHANA ASSOCIATION

Presents

Third Annual *Championship Gymkhana*

FOREWARD

The eighty-five contestants you will see this evening have qualified to compete in this, our Third Annual "Championship Gymkhana". These contestants are all members of the nine Gymkhana Clubs which make up the Edmonton Gymkhana Association. The meaning of Gymkhana could read "making the Sport of Kings available to ordinary people" for our association has done just that and more. As you watch the events this evening, you will see how much pleasure and sportsmanship have been made available to this diverse group of all ages through the formation of this association.

CFRN - TV has co-operated with us in presenting a feature attraction, Roman Style Chariot Racing. This should prove to be a very thrilling and colorful spectacle. By popular demand we again have with us Edmonton's two precision riding groups - the Edmonton Sheriffs' Posse Musical Ride and the Fort Trail's Square Dance on Horseback.

We wish to thank the Edmonton Exhibition Association for making the Gardens available for this event and CFRN and the Edmonton Journal for giving us such widespread publicity.

If you enjoy the various events, your applause will be greatly appreciated by the contestants and it will indicate to them that their efforts have been worth while from a spectator's standpoint.
